### Class News:

**ELA/Reading:** We learned how to write correct RACES responses to questions. We are now learning about "Shrouded in Myth" and typing our first essay/summary.

**Math:** We have been learning about ratios and their values. We also learned how to find equivalent ratios. We had our first quiz and will be finishing module one soon!

**Science:** We have been learning about variables. We have been incorporating our variables into our air trolleys. We are learning how to perform controlled experiments.

**Social Studies:** We have been learning about agriculture and its development. We have been learning about the Neolithic era and writing.

**Gym:** We are working on our physical fitness test. We also have learned how to throw a frisbee correctly, The girls are playing frisbee golf and the boys are playing ultimate frisbee.

**Music:** We have been learning about music form and how to define it.

**Computer:** We are learning how to type correctly.

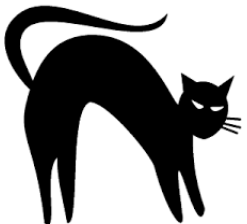

**Library:** We have discussed expectations, how to check out books online, and we checked out books.

**Technology:** We made windmills out of paper.

**BAND: We are learning "Jingle Bell Tones" and "Festive Fanfare".**

**CHORUS: We are learning "Winter Fantasy" and "The Night Before Christmas".**

***Just a reminder: IF your child chooses NOT to do Band OR Chorus, they will not be in the concerts this year.***

Have a good weekend! 😊
